

## Sealer for Cuts in Pressure Treated Wood

Soft green colour  
Water-based formulation  
Low odour  
Repels moisture where cuts  
expose wood above ground

### Product Label

CAUTION – MAY CAUSE EYE OR SKIN IRRITATION. Do not get in eyes. Avoid contact with skin. Keep out of reach of children.

**FIRST AID TREATMENT:** If swallowed, call a Poison Control Centre or doctor immediately. Do not induce vomiting unless directed to do so. If in eyes, rinse with water for 15 minutes. If on skin, rinse well with water.

Cut-N-Seal® is soft green brush-on sealer and moisture repellent for cuts and holes in pressure treated deck boards, post tops, fence boards, etc. used **above ground**, where appearance counts. Cut-N-Seal is not to be used in ground contact applications, in preserved wood foundations, to recoat pressure treated wood surfaces or as a replacement for pressure treatment.

**Preparation:** Wood should be dry and clean.

**Application:** Ready to use – do not dilute. Shake or stir contents before and during use. Apply a first coat by brush, allow to absorb, and apply a second coat.

**Cleanup:** Clean equipment (brushes, etc.) with soap and water.

**Storage:** Store in tightly closed container. **Do not freeze.** Keep above 4°C (40°F).

**Disposal:** Dispose of empty container in household trash.

**Application and surface conditions are beyond manufacturer's control. Liability, if any, is limited to replacement of product only. Labour or cost of labour is not included.**
