

Sealer for Cuts in Pressure Treated Wood

Cedar colour matches
MicroPro Sienna®

Water-based formulation

Low odour

Repels moisture where cuts
expose wood above ground

Product Label

MAY IRRITATE EYES

Do not get in eyes. Keep out of reach of children.

FIRST AID TREATMENT

If in eyes, rinse with water for 15 minutes. If on skin, rinse well with water.

Cut-N-Seal® is a cedar-coloured brush-on sealer and moisture repellent colour-matched to MicroPro Sienna® Pressure Treated Wood for cuts and holes in deck boards, post tops, fence boards, etc. used **above ground**. Cut-N-Seal is not to be used in ground contact applications, in preserved wood foundations, to recoat pressure treated wood surfaces or as a replacement for pressure treatment.

Preparation: Wood should be dry and clean.

Application: Ready to use – do not dilute. Shake or stir contents before and during use. Apply a first coat by brush, allow to absorb, and apply a second coat.

Cleanup: Clean equipment (brushes, etc.) with soap and water.

Storage: Store in tightly closed container. **Do not freeze.** Keep above 4°C (40°F).

Disposal: Dispose of empty container in household trash.

Application and surface conditions are beyond manufacturer's control.

Liability, if any, is limited to replacement of product only. Labour or cost of labour is not included.
